

Faux Buffalo Hide Art with Motifs

Materials: Cardboard/brown paper bag, faux feathers, string/yarn, markers, scissors, and tape/glue

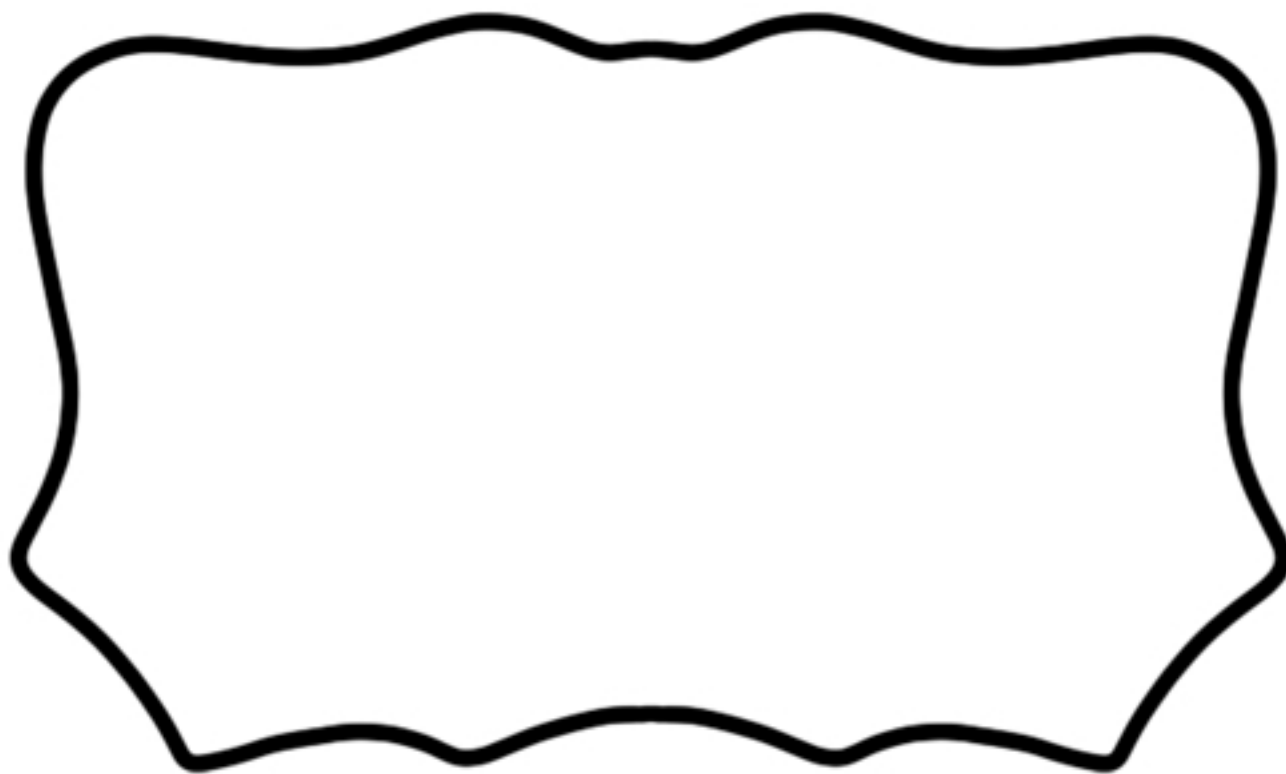

Vocab

Faux: Fake

Hide: Animal skin used for clothing or decor

Motif: A design that represents an idea

1. Cut out a hide shape from a piece of cardboard/paper bag. You can copy the shape below or make your own

2. Research Indigenous symbols and/or motifs and decorate your hide with them. Examples below

Rainbow

Caterpillar

Lightning

Star

Teepee

3. Add extra embellishments like faux feathers. You can glue them down or tie them with string.
