

# Design Your Own Monument

**Materials:** paper, pencil, and ruler

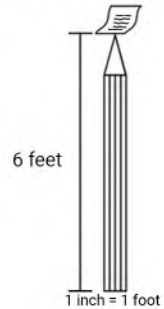

**Directions:**

1. What do you want to say with your monument?
2. Where would you like your monument to be?
3. Are there any restrictions in this public space?
4. Decide a scale to represent your monument's real size.  
What would be the length, width, depth, and height of your monument?
5. Set your scale using a ruler so that 1 inch = 1 foot.
6. your base.
7. See how we represented the Declaration of Independence.  
Label your monument to show others how big it would be in real life.
8. Decorate your monument.
9. Name your monument and describe it on the line below.

1 Inch    1 Foot

Set your scale

Label your scale
